Choose 1 of the following prompts to respond to and then delete the prompt(s) that you did not choose.

Prompt option 3: *What are your main takeaways from this first half of your internship and how do you plan to carry those lessons into your second week?*

The main takeaway I had from the first half of my internship was knowledge I gained on coding in HTML and CSS. I've learned a lot about how to structure and design websites using these tools. I plan on using what I've learned to create an interactive website displaying what I've done throughout the internship.
