Choose 1 of the following prompts to respond to and then delete the prompt(s) that you did not choose.

Prompt option 1: *What is a topic that you found interesting this week? How do you plan to seek additional information and learn more about that topic?*

A topic I found interesting this week was coding with HTML, CSS, and Javascript. I plan to seek additional information and learn more about this topic by using resources that Ryan, an engineer who has helped with our Skills Lab for the last two, have given us. He provided a very useful website for us to use if we are interested in more advanced code for our website.
