

Day 4 journal entry

Nolan Scott

Choose 1 of the following prompts to respond to and then delete the prompt(s) that you did not choose.

Prompt option 1: *What is a topic that you found interesting this week? How do you plan to seek additional information and learn more about that topic?*

I have been really enjoying learning about HTML, CSS, JavaScript and web development in general. I have always wanted to learn how to do it, and now that I have this incredible opportunity I will be working on my website plenty. I plan to continue web development after this internship and continue researching and learning about the topic, hopefully becoming proficient in the various languages needed.
