

Day 3 journal entry

[Adeena Chowdhury]

Choose 1 of the following prompts to respond to and then delete the prompt(s) that you did not choose.

Prompt option 2: *What is one new skill or piece of knowledge you've gained this week? How do you see yourself applying this in the future?*

Throughout all of the presentations given by different employees at Red Hat, I've learned how diverse the career options are in tech, including the different paths you can take to get to a certain career, especially in the sense that your college major doesn't necessarily dictate your career journey. I see myself choosing a more specific college major in finance, economics, or business management, and then using that knowledge to apply myself into the tech world where I can combine modern tech industries like AI to further business advancement.
