**Prompt option 2:** *Who have you met during your internship that has made an impact on you, and why?*

I have met this person named Mike McGirr and he has impacted my life by helping me decide what I want to pursue in the future and what classes I want to take! I think he has been the most important thing I've met because he was very influential to my choice.

**Prompt option 3:** *Describe a challenge you encountered during your internship and how you approached overcoming it. What did you learn from this experience?*
