

Day 8 journal entry

Angel Igboanugo

Prompt option 3: *If you could give advice to a student starting this internship next year, what would it be?*

As a high-school student who interned at Red Hat, some advice I would give is to make it a point to actively network with teammates and other employees, because building those relationships taught me just as much as the projects themselves. Staying open to learning and seeking feedback whenever I felt stuck helped me grow faster than I ever expected
