

Day 8 journal entry

Matthew Roach

Prompt option 3: *If you could give advice to a student starting this internship next year, what would it be?*

I would recommend that they get ahead on their reel. The internship doesn't include content on how to make a reel for social media, so it's best to self-teach toward the beginning of the internship and then get footage throughout the first week, so that you can spend the second week working on the website.
