Choose 1 of the following prompts to respond to and then delete the prompt(s) that you did not choose.

| *Prompt option 1:* **How has your classroom experiences prepared you for the internship? What do you wish you had learned prior to the internship?** |
| --- |
| I havnt really had to apply anything yet, so generally I dont see how my schooling helped me. |

| *Prompt option 2:* **What is one new skill or piece of knowledge you've gained this week? How do you see yourself applying this in the future?** |
| --- |
| So far I've been able to learn a plethora of things coming from being able to gain social abilities and be able to start programing and working on my own website, so generally I see myself applying many of the social parts of what I've learned so far into my day to day life and professional environments. |

| *Prompt option 3:* **What are some of the differences you've noticed between a school environment and a professional work environment?** |
| --- |
| I prefer the professional work environment due to how I don't have to be told what to do all the time and I can work and I generally feel to be more efficient on what I'm doing. |

# Export + contribute your reflection

1. Once you've filled out the above prompts, export this doc as a PDF. Note: make sure you rename the file to be in the format `[Firstname Lastname] Day 3 Journal Entry`

2. Now that you have a PDF of this week's reflections saved locally to your laptop, you should contribute the PDF to your personal GitHub dropbox area in [our shared repo](#).

Use the ['Journal entry contribution' cheat sheet here](#) to assist you and ask a GitHub coach for help if you need it!
