Day 8 journal entry

Bhavishnu Mood

Choose 1 of the following prompts to respond to and then delete the prompt(s) that you did not choose.

Prompt option 1: **What have you learned about yourself and what you want in a career?**
I want a career that I can thrive in as a leader. I want to be able to make a change in the world using technology and open source.

| *Prompt option 2:* **How has this experience affected or changed your career/college plans?** |
|---|
| This internship has increased my interest in technology. Specifically, I want to improve my technical skills and work as a product manager in open source. |

Prompt option 3: **If you could give advice to a student starting this internship next year, what would it be?**
Go in with a growth mindset. Learn from those around you and make the most of the opportunity by networking!

Export + contribute your reflection

1. Once you've filled out the above prompts, export this doc as a PDF. Note: make sure you rename the file to be in the format `[Firstname Lastname] Day 8 Journal Entry`

2. Now that you have a PDF of this week's reflections saved locally to your laptop, you should contribute the PDF to your personal GitHub dropbox area in our shared repo. Use the 'Journal entry contribution' cheat sheet here to assist you and ask a GitHub coach for help if you need it!
