Day 8 journal entry

Choose 1 of the following prompts to respond to and then delete the prompt(s) that you did not choose.

Prompt option 3: **If you could give advice to a student starting this internship next year, what would it be?**

If I could give advice to an incoming intern, the most important piece would be to come in with an open mind and leave the same way. As highschoolers, we have so much time to choose a career path and this internship is more about learning the perspectives of different roles in a big tech company and not so much locking in a profession.

Export + contribute your reflection

2. Now that you have a PDF of this week's reflections saved locally to your laptop, you should contribute the PDF to your personal GitHub dropbox area in our shared repo. Use the 'Journal entry contribution' cheat sheet here to assist you and ask a GitHub coach for help if you need it!
