# Day 6 journal entry

Choose 1 of the following prompts to respond to and then delete the prompt(s) that you did not choose.

Prompt option 2: *Who have you met during your internship that has made an impact on you, and why?*

My college mentor has made a big impact on me as I have gotten to know her. She's not only been supportive and encouraging, but also honest about her experiences navigating college, internships, and the transition into the tech industry. She has given me advice on how to try and get an internship in college, and what she wished she had done when she was in my position. Her advice and openness have made me feel more prepared and excited for what's ahead.
