Day 6 journal entry

[Firstname Lastname]
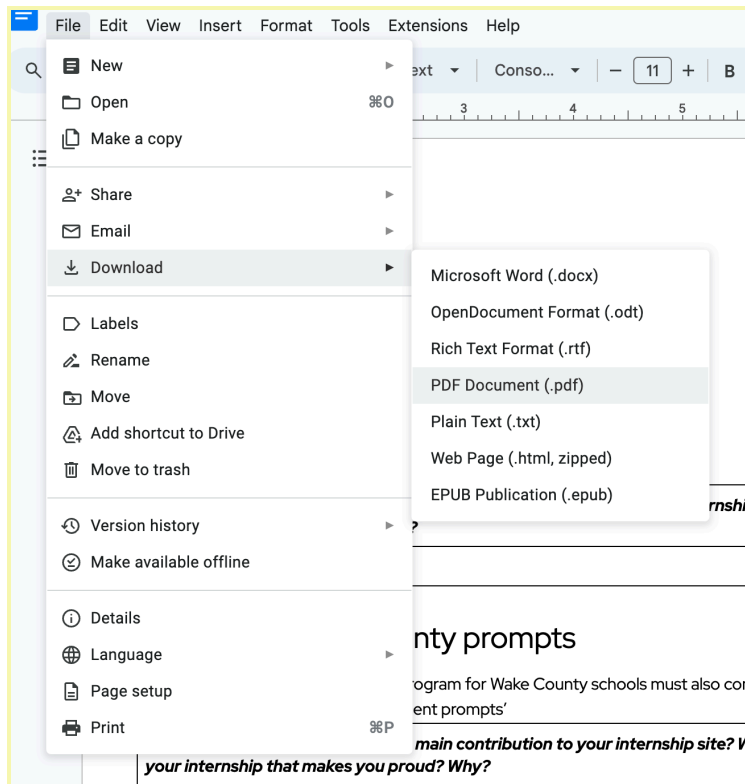

Choose 1 of the following prompts to respond to and then delete the prompt(s) that you did not choose.

Prompt option 1: **How is the internship meeting or not meeting your expectations/objectives and why? Do you have control of this? Explain.**
This internship has exceeded my expectations so far. I do genuinely believe this as before the internships I expected to do some work, however it would mainly be dull meetings, however during this experience we have had cool meetings with interactive parts throughout as well as intern's choice, networking opportunities, and working with our mentors. I feel like I have as much control of this as I want to have. I can either take full advantage of these opportunities and resources or I can just do the bare minimum.
